Approved For Release 2002/10/25 : CIA-RDP79T00975A010400250001-8

*USSR: The Soviets orbited another Soyuz type spacecraft this morning, probably to attempt a rendezvous with Cosmos 186. The fact that neither spacecraft is manned seems to rule out a docking of the two vehicles. This dual spacecraft operation is almost certainly a rehearsal for a manned event in the near future, possibly in the next few days. The manned operation would most likely involve both rendezvous and docking. [REDACTED]
